- **I am a friend of one of the team members and attend another church. I enjoyed seeing what Gynea Church and Ros were doing. Well done, thanks.**
- **Thank you for your work in Cambodia and the sacrifices the team and church has made to make the mission happen to help those so far away.**
- **I loved the emails, photos, video, skype. It gave me things to pray for on a daily basis as well as feeling connected to what everyone was doing. It was also helpful to put faces to names of our partners, and being able to see what their conditions were like. I'm already excited for next year. Thanks Martin for allowing this to happen!!!**
- **would have liked captions on the photos, at times i wasnt sure what they were. Not all th eteam were shown inthe photos. i realise this was probably due to the different locations but it was sad if you were looking for someone.**
